Notice regarding the impact of Typhoon No. 19

We would like to express our deepest condolences to all those affected by the Typhoon No. 19.

After confirming the impact of Typhoon No. 19 on the Company's condominium construction sites, as well as the Company's operating and developing solar power plants, slight damage was discovered at a facility (1.56 MW Rikuzentakata Yokota-Cho Solar Power Plant, Rikuzentakata City, Iwate Prefecture), but no human damage or material damage were found on site or surrounding buildings.

Typhoon No. 19 will cause a material impact on business results, and additional disclosure will be made should there be any material developments.
